### INTERNATIONAL EDUCATION FAIR

Dear Ladies and Gentlemen,

CEO- Congress and Event Organization announces the launch of the organization platform of the sixth consecutive edition of International Education Fair 2012, which will be held from 18 until 20 April 2012 in Prishtina.

This activity offers face to face meetings between educational institutions with the large number of pupils and students; serving as an ideal platform for the promotion of education sector.

Education Fair has become an important meeting point for local and foreign educational institutions thus drawing the attention of a large number of pupils, parents, students and all decision-making factors from the education field.

Please be informed that we as the organizers of the Fair in collaboration with high schools have collected the list of the best high school students of Kosovo. We have visited all high schools in Kosovo and in collaboration with three professors and the school directors; we have taken two of the best students from one class, which during the fair will compete for different scholarships for studying at the International universities.

**In this case we are pleased to invite the Embassy of Bulgaria to take part in this event and give information to Kosovo students about the procedures and possibilities for Kosovo students interested to study in Bulgaria universities, as well as explain the scholarship opportunities. In this regard, we would kindly ask from your embassy to invite the universities and other educational institutions from Bulgaria to take part on this international event.**

The last edition of the fair gathered considerable number of participants from countries such as: Kosovo, Albania, Macedonia, Turkey, Greece, Great Britain, Germany, Bulgaria, USA etc. Based on the flow of the previous editions, this year is anticipated to continue to mark a significant growing, considering the flow of exhibition spaces booked so far.
