My Big Fear

My name is Julie, and summer is my favourite season because I can spend time with my cousins. When the first day of summer arrived last year, I became worried because my cousins said that they wanted us to go to a theme park in a neighbouring town to ride roller coasters. I am afraid of heights, honestly!

While we were driving to the park, my cousins assured me that I didn't have to go on the roller coasters with them if I didn't want to. When we arrived there, I decided to give one of them a try and I had so much fun that I ran to the next roller coaster. I ended up conquering my fear of heights and found a new love for roller coasters.

14. Julie loves summertime the most because _____.

- A) she can spend it with her cousins
- B) she has a lot of adventures
- C) she stays at home with her family

15. What happened on the first day of summer last year?

- A) Julie wrote a blog post about her trip to a theme park.
- B) Julie was worried because she was afraid of going to a theme park.
- C) Julie told her parents that she wanted to go to a theme park.

16. Julie's cousins _____ ride a roller coaster.

- A) made her
- B) didn't allow her to
- C) let her decide for herself whether to

17. At the end of her blog post Julie tells her readers that _____.
